Missed Dose⁶

Missed a dose?
Here's what to do next!

100 x 65 mm

Well-being during treatment^{6,8}

If you notice any side effects, don't worry - they're usually temporary.
Here are a few simple tips to help prevent or ease them.

Eat smaller meals

Stop eating when full or when not hungry

Avoid high-fat, fried, and spicy foods

Avoid carbonated and alcoholic beverages

Drink plenty of water and eat high-fibre foods
